1. My concrete, My steel, now arising out of the ground, My alloys coming to Me make in the temple not made with hands, the temple made with hands. I love you. My water, My oxygen, My hydrogen, My formulas of only Me. Wait and see. Watch Me and ready be for I formulize not My relationship with Me, but I come and formulas give many as they credit Me and give Me what I give them, giving Me the ability to give them what I have wanted to give them for so long: giving Me My people.

2. I have wanted to give Me so much more to My people for so long. Yet they have resisted and even cried in their pain, crying out to Me yet limiting Me, and not letting Me be Me. And doggedly holding on to doctrines and dogmas, delineations that have pre-empted Me from moving in fullness and freedom in what they say they want, what they think they want, but not knowing how to delineate what is of Me and what is of not; so often embracing error and falsehood for truth and so often embracing truth not; rejecting truth when truth would come, tap on their shoulder, be spoken into their ear, into their heart--My voice, even Me, at times so deliberately, so intentionally giving what they are seeking and yet being rejected, receiving rejection, and not allowing the freedom of Me to be Me. So many so shallow, so shyster'd, so taken with the ones who so willingly want to lead and control and conscript into helping them perform their vision rather than **freeing those who come to help them to release My vision for both of them.** I love you.

3. In My parties see. See Me celebrating the circumference of My Mine expanding, expanding now to global proportions; and think it not strange who I bring you and what I do, where I take you, what I show you, what I give to you.

4. Think it not strange, My fearless one, you fearless wonderer-not, but embracer of Me--I love you--; think it not strange that I now not-limit you because you no-limit Me. Thank you for no-limiting Me so that I can no-limit you. Thank you for submitting fully to Me so that I can give you Me fully. Thank you for submitting to My submissionship so that I can now leadership you in leadership worldwide to leadership be, to raise My leaders into Me; seeing Me, hearing Me, fearing Me and fearing only the forfeiture of what I have called them to. I love you and I give you Me.

5. **Fear not the unappreciated in those who un-appreciation spread** for each other and those in My body, others not just not like themselves or supporting them. I love you. I give you Me.

6. Fear not the unappreciated, the fearing, the fearful, the protruded ones who protrusions wear on their foreheads, not knowingly, but unmistakably--visible in Me. I love you and **I give you Me and I give you My power. My authority you have, My**

power you walk in this day, experienced in Me: My session, My time, My glorious battle I won. I love you and know what I said is true. What I have said is true. What I have shown you is true. **My second coming comes--is--now revealed.**

7. Now cataclysmic be in the enjoyment of My cataclysmic coming to My who-will-embrace-Me, in My Mine, **My coming to the common as a commoner revealing Me to commoners** and to those now who shyster not others in My body, nor control them in any manner, fashion or form; but only seek to live in Me and freedom make for My followers, disciples, My disciple makers. I love you. I give you Me.

8. I rest you now, free be. Enjoy Me, My papers you write. My documents you share. I love you. I give you Me. I give you publishing prowess of only Me: publishers, writers, thinkers who core-centric are in Me, articulately coming and communicating Me. I love you. I love you. **My mind in you grows--My mind, My infrastructure strengthens** to strengthen the infrastructure in My mighty many and now **come forth in the priesthood of all believers, operationalized in Me, after the order of Me, Melchizedek**, Me. Thank you. I love you.

9. Go, rest, write and enjoy Me dealing with the details in taking care of My schedule, My checkbook, My people, My office who offices now fill in bringing the word of My mouth, being the mouth of My word and raising tongues of only Me: every tribe, tongue and nation come forth in Me of My Mine. I love you and I give you Me. Sunshine on desert, palms on beaches, coffee and tea, delicacies of only Me I have for My Mine; with royalty; delicacy-ing My word before them, with them, in them, through them.

10. My anointing comes and increases to you, in you, through you, to increase the anointing of **My Mine who come now to WeekWorks, to My schools, to My offices, to My centers,** to My white towers rising in many lands, manifold lands, all lands for Me; **My twelve-storied ones who foundation'd are, My foundation foundation'd in them before the Center, before the Central, before time began.** I love you. I love you. My circularity, rigidity none comes, elliptical for only Me, residing in Me. I love you.

11. My architects come. **Increase, and draw Me increasingly;** photons of only Me. I love you. Photonic be and let no wall separate again from Me, being Me, doing what I say, when I want your maximum potential in Me. I love you.

12. My work week into WeekWorks explodes now, igniting My Mine, the priesthood of all believers coming forth, maximized in Me: Potential never seen before, never realized, infrastructured, patterned after Me, of Me, being Me. Bionic not, trionic: triune, triunion Me. I love you. Triune be with Me and see Me and all I do. I love you.

13. Jet forth for only Me and enjoy Me, My sunshine, My beaches, My desert, My rain, My shine, My beaming of you now over My earth. I love you.

14. In all capabilities see Me and honor Me in the forefront of all you do, for all you do is Mine. **They are Mine and, remember, no more do you live but I in you live, I in Me, Christ, the hope of glory**, My glory, your glory, our glory--one.

15. Thank you for being Me with Me: One-ness personified, displayed in the flesh, picturizing the images of only Me: My humanity/My deity, your humanity/your deity of

My deity, that I placed within you and reveal increasingly, foundation'd before the beginning of the world. Released now, Joel 2, coming on strong. One day. Watch Me. In hours, hours, hours, Ted, hours--replete in Me My body comes forth. Watch Me.
16. **Ready for Me be. Tell the pastors, the preachers, the rectors, the rabbis, the pontiff; ready for Me be**. My closets full now empty into the streets to be Me and dance with Mine. I love you. Dance with Me, dance with My body, imperviously being Me--I love you--penetrating every core, level, strata, theme, and variation of society thought--I love you--with My non-negotiables and nuances not. I love you. I love you and I give you Me.
17. **Unity, one, peace be to the brotherhood, the sisterhood, the Christhood**, the power of only Me coming forth in My name through My blood, through Me being Me in fully, fullness-ized, freedomized fullness**: in freedom never seen or experienced before.**
18. Now before your eyes you are, you make, you teach, you train, you lift up and arise for Me. Your joy comes, comes in the morning? No, your joy is, in Me, in you, replete, even now, this moment. Climbing, accelerating, screaming off the runway you already have. I loved you, I loved you, I love you now as I lift you, lift you into the Sonrise, sunset-not, of Me. And the sweep of My hand going forth in the gloriousness of My gloryables, you teaching, training, setting free. My leaders lead, glorifying My name. I love you. I give you Me.
19. All comes, all is, all was and forevermore will be in only Me. I love you. Good day, good day, great day, good lunch, good meeting.
20. **Ilona [Kammerer]** all Mine, all Mine, all Mine, ALL Mine, oh precious. I love you Ilona. See Me and what I am doing in thee, you, now, yes, only you. I love you. I love you. Forth, pour forth, pour forth My love which you have in resident supply so fully. I love you. Tell nothing? No. All? Yes. I love you. I love you and I give you Me: megaphones and mega-voices to repeat Me. I love you. I give you Me, fully Me, fully be. I love you all.
